The Haddam Historical Society is an active and vital member of the community. We work to keep Haddam's history alive and we need your financial support. Please don't toss this letter away! Instead, consider how we might work together to help one another.

The Haddam Historical Society offers Business Memberships for \$50, \$100, and \$250 a year and our goal this year is to have 25 additional local businesses support our organization and its activities while we advertise your business, broaden your exposure, and encourage our members to patronize your business.

Become a Business Member for \$100 and we will

The Historical Society not only operates the Thankful Arnold House Museum, but offers a variety of educational and entertaining programs throughout the year including local history lectures, walking tours, exhibits and hands-on workshops. Our school programs make history come alive for over 1000 local children as well as homeschoolers and scouts. The Society also maintains an extensive collection of items and archives relating to local history including many early and recent businesses. You are a part of our town's history!

We realize there are many organizations that ask for your financial support but the Historical Society is hoping to return something for your contribution – advertising and patronage of your business. Consider becoming a part of our history! Thank you.

Sincerely,
The Membership Committee
